The Chairman of the Advisory Committee presented orally the observations of that Committee on the proposals of the Secretary-General.

A statement was made by the representative of India and the Controller replied to the questions raised.

On the proposal of the Chairman, the Committee decided, without a vote, to recommend to the General Assembly to authorize the Secretary-General to enter into commitments in the amount of $37,182,100 gross ($38,043,200 net) to meet the immediate operational requirements of the United Nations Assistance Mission for Rwanda for the period from 5 April to 30 September 1994, this amount being in addition to the full commitment authority of $62,367,187 gross ($60,982,867 net) already provided by resolution 48/248 of 5 April 1994.

Statements in explanation of position were made by the representatives of Germany (on behalf of the European Union), Austria and Australia.

The Chairman of the Committee declared this stage of its consideration of agenda item 173 concluded.

Scale of assessments for the apportionment of the expenses of the United Nations [127]

The Committee resumed its consideration of the item and heard a statement by the representative of Barbados.

On the proposal of the Chairman, the Committee decided to recommend to the General Assembly that it defer consideration of the question of the establishment of an ad hoc body to study the implementation of the principle of capacity to pay as the fundamental criterion for determining the scale of assessments, as referred to in resolution 48/223 C, for decision at an early stage of its 49th regular session.
